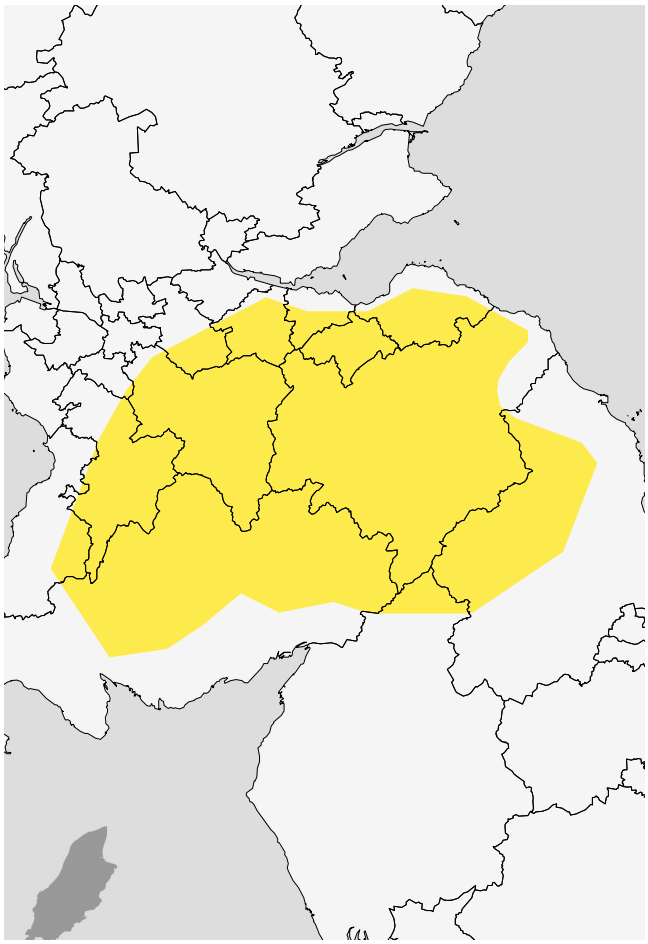
Yellow warning
Snow

Between
12:00 Wed 20 Jan 2021 and
12:00 Thu 21 Jan 2021



Rain increasingly turning to snow during Wednesday and overnight into Thursday may bring disruption

What to expect

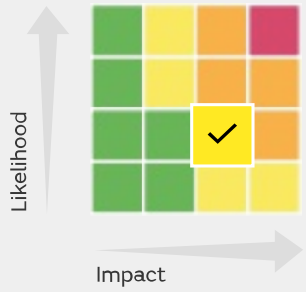
- Possible travel delays on roads stranding some vehicles and passengers
- Possible delays or cancellations to rail and air travel
- Some rural communities could become cut off
- Power cuts may occur and other services, such as mobile phone coverage, may be affected

Further details

Persistent rain over southern Scotland and the far north of England will increasingly fall as snow above around 100 m during Wednesday afternoon and overnight into Thursday.

A few cm of wet snow may accumulate down to around 100 m but above 200 m 10-15 cm may settle with perhaps 20-30 cm above 400 m.

Rain is more likely on lowest ground near the east coast and may bring some localised surface water flooding



Low likelihood of medium impacts
